## WHAT IS THE PIERCE COUNTY ALERT SYSTEM?

A FREE system that allows you to sign up and receive notifications about emergencies that may affect the locations that concern you. This service allows fire, police, and other agencies handling emergency response to send out accurate and up-to-date information to residents.

### HOW OFTEN WILL I RECEIVE ALERTS?

Generally, non-life threatening alerts will be sent to email only. Alerts that pose a higher threat to the community or cause significant adverse conditions (major traffic impacts/road closures/extreme weather alerts) may be sent via email and text.

Alerts that pose a significant risk to life and/or property will be sent to all of the devices you have chosen.

### HOW MUCH DOES IT COST?

The Pierce County ALERT service is free, however, you may incur charges from your cell provider.

### WILL MY INFORMATION BE SHARED WITH OTHERS?

No. The information that you provide will be used for emergency purposes only. We cannot give or sell your information to any vendor or other organizations.
