

CONTRACT FOR FIRE PROTECTION SERVICES

THIS CONTRACT is as of the 1st day of January 2022 by and between Pierce County, (hereinafter called the "County") and Pierce County Fire Protection District Number Twenty-two [(operating as the East Pierce Fire and Rescue) hereinafter called the "District"].

WITNESSETH:

WHEREAS, the District provides fire protection services;

WHEREAS, RCW 52.30.020 directs the County to contract with the District for fire protection services;

WHEREAS, the County owns buildings that are located within or adjacent to the territorial limits of the District and are not leased to non tax-exempt persons or organizations.

NOW, IT IS MUTUALLY AGREED:

1. SERVICES

A. The District agrees to furnish fire protection and basic life support services to all improved County properties and the persons located on such properties within the District. Such fire and basic life support services shall be rendered on the same basis as such protection is rendered to other areas within the District.

B. In the event of simultaneous fire or medical aid call whereby facilities of the District are utilized beyond its ability to render equal protection, the officers and agents of the District shall have discretion as to which call shall be answered first. The District shall be the sole judge as to the most expeditious manner of handling and responding to emergency calls.

C. The District will furnish all personnel, equipment, and tools necessary to provide such fire protection and basic life support services.

2. TERM/PAYMENT

A. The term of this agreement shall commence on January 1, 2022 and continue through December 31, 2022 and shall be renewed year-to-year by addendum and adjustment to fees, unless sooner terminated by either party as provided in this Contract.

B. In consideration of the goods and services provided by the District under the terms and conditions of this Contract, each year the County shall pay the District a fee based upon the sum of the District's regular maintenance and operation levy rate plus the District's regular emergency medical services levy rate applied to the replacement value of improvements to properties as such values are reported and updated annually by Pierce County Risk Management Department on their "STATEMENT OF VALUES", OR, \$500.00 whichever is greater. In all cases, "STATEMENT OF VALUES" will be used in calculating the fee and fees will be rounded to the nearest whole dollar amount. In no instance is the County subject to the District's special and excess levy rates, bonds, or fire benefit charges.

C. Further, the County shall establish a \$12,500 resource pool, with a distribution to the District based upon the total number of emergency responses the District makes to improved County properties in the most recently completed calendar year relative to the total number of emergency responses made by all districts contracting with the County for fire protection services of improved County properties in the most recently completed calendar year. The total value of the resource pool is \$12,500 in 1993 and will be increased in each subsequent year by the same percentage increase as reported by the United States Bureau of Labor Statistics as the second half, Seattle area consumer price index for all urban consumers (CPI-U). Distribution of the pool will be adjusted each year to reflect the District's portion relative to the total number of emergency responses made by all districts contracting with the County for fire protection services of improved County properties.

D. Specific properties and fees are described in Schedule A attached hereto and made a part of this Contract. If there is an increase or decrease in the replacement value of improvements to properties upon which payment under this Contract is based, the County will adjust the fee annually and incorporate the change automatically into this Contract.

E. Payment shall be made on or after June 30th of the contract year.

F. Each of the parties shall, at all times, be solely responsible for the acts, or failure to act, of its personnel that occur or arise in any way out of the performance of this contract by its personnel only, and to save and hold the other party and its personnel and officials harmless from all costs, expenses, losses, and damage, including costs of defense, incurred as a result of any acts or omissions of the parties' personnel relating to the performance of this Contract.

G. This agreement may be terminated at any time by either party hereto after thirty (30) days written notice.

3. ENTIRE AGREEMENT

No other understandings, oral or otherwise, regarding the subject matter of the contract shall be deemed to exist or to bind any of the parties hereto.

4. FUTURE NON-ALLOCATION OF FUNDS

If sufficient funds are not appropriated or allocated for payment under this contract for any future fiscal period, the County will not be obligated to make payments for services or amounts incurred after the end of the current fiscal period. No penalty or expense shall accrue to the County in the event this provision applies. In consideration thereof, the District will not be obligated to provide services after the end of the current fiscal period, in the event that the County invokes the provision contained in this paragraph.

5. AMENDMENT

This contract and any alteration, amendment, modification, or waiver of any clause or condition thereof is subject to the written approval of the County Executive or the Executive's delegate, and shall not be binding upon the County until so approved, except as set forth in paragraph 2D. above.

IN WITNESS WHEREOF, the said District has executed this instrument and the said Pierce County has caused this instrument to be executed by its Executive the day and year first above written.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, FPM_DocuSign_Procurement (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
